

Travel to Japan

All COVID travel requirements for Japan have been lifted. Proof of vaccination or testing is no longer required.

Official Travel to Japan:

Update for travel to Japan as of 12-OCT-22

DoD Civilians and Eligible Family Members on official travel are required to have a Special Issuance Passport (SIP)

After applying for an Official Passport and if it cannot be obtained prior to departure, use of a Regular (blue tourist) Passport in lieu of the Official Passport is permissible for travel via MILAIR, contract and commercial air.
