Thank you for traveling AMC, all Pets arriving into Bahrain must meet strict health standards set by the Kingdom of Bahrain Government. Upon arrival at NSA Bahrain (NSA 3) pet owners will be requested to exit the aircraft prior to other passengers. Pets will be downloaded and owners will be able to access their pet(s) in order to check on their health prior to being transported to our NSA 3 climate controlled quarantine facility. Pets are not allowed into the commercial airport and must remain in the quarantine area at NSA 3

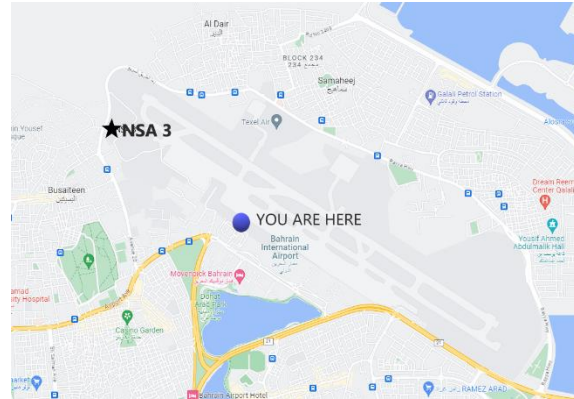

ALL pets will remain at NSA 3
(Including smaller in-cabin pets)

AMC Passenger Service representatives will meet you at the bottom of the aircraft stairs and take your contact information. Rest assured your pet(s) will be kept safe while you clear into the Kingdom of Bahrain. All Passengers will be transported to the Bahrain International Airport to clear Customs and Immigration along with baggage claim. Once released from the International Airport, please return to NSA 3 via Taxi or sponsor to complete pet clearance paperwork and pick up your pet(s).
