Space-A Process for Early Bird Roll Calls on Patriot Express

- Roll Calls for Patriot Express missions may be held at 1200L the day prior to the scheduled flight departure if there are 20 or more available seats.
- Passengers will be able to sign up for Space-A and compete for roll call if their authorized leave date begins on the day of departure prior to normal Roll Call time.
- Passengers not selected due to seat availability will have another opportunity to compete at the normal roll call time (advertised below on the 72-hour Schedule). Passengers will then be able to compete for open seats in the event of no shows.
- If a passenger is selected for the flight, then they will check their bags and receive a boarding pass during the early bird check-in process (times advertised below on the 72-hour Schedule)

****Note:** Passengers that come in on Space-R status take priority over passengers on Space-A status. Passengers on Space-A status can be subject to removal from the flight on the day of departure for Space-R passengers, beginning with the last selected passenger.**
