

is available!

Uber is now available across Joint Base Charleston, on both the Air Base and Weapons Station. More than 100 Uber drivers are registered for installation access. You can simply request rides through the Uber app.

As you use Uber, the 628th ABW Business Office is interested in your feedback. Please contact Mr. Luis Marquez at luis.marquez.6@us.af.mil, or by calling (843) 963-5608, to share your experience.

Keep in mind that the availability of drivers, time of day, and other factors may impact your ability to match to a driver at any given time.

Scan the QR code with your phone to book a ride!
