

RAMSTEIN COVID GRAM INFORMATION

721st Aerial Port Squadron
Ramstein Passenger Terminal, Germany

Monday - Saturday 04:00 - 22:00
Sunday 06:00 - 22:00

Passenger Service Center
06371-46-4441

Effective November 8, 2021: Before boarding a flight to the US from a foreign country, all air passengers 2 years or older are required to present a negative COVID-19 viral test result or COVID-19 recovery documentation if the individual had COVID-19 within the last 90 days. Test results will need to be in a written or digital format, signed by a licensed healthcare provider and contain the type of test with date/time administered. Each individual must disclose their vaccination status. If vaccinated, either the CDC COVID-19 Vaccination Record Card or IMR Immunizations Records must be presented.

****Passengers between 2-17 years of age who are not fully vaccinated against COVID-19 may travel with a fully vaccinated parent or guardian. If the parent or guardian is not fully vaccinated, a negative COVID-19 viral test result within 72 hours of departure must be presented.****

PASSENGERS (2 years or older)** see above	Number of Days to get a COVID-19 Viral Test Before Flights Depart from Ramstein AB to the U.S.
Fully Vaccinated	No More than 3 days
Not Fully Vaccinated	No more than 3 days
