

TRAVELERS

Office of the Secretary of Defense guidelines mandate face masks to be worn at all times inside the passenger terminals, regardless of vaccination status.

JAPAN SPACE-A TRAVEL

Visa free travel is suspended. You must have a visa or have a Status of Forces Agreement (SOFA).

All travelers regardless of age must have a negative COVID test within 72hrs of departure of international leg.

If you are transiting Japan to an onward international destination, you will not be subject to Japanese entry requirements, as long as your transit occurs within the same airport and no overnight stay is required.

SOUTH KOREA SPACE-A TRAVEL

You must have a VISA, an approved Korea Electronic Travel Authorization (K-ETA) or Status of Forces Agreement (SOFA).

All travelers over 6 years of age must have a negative covid test regardless of vaccination status.

PCR test taken within 2 calendar days prior to travel or
Rapid Antigen test (RAT) taken at clinic or hospital within 1
calendar day prior to travel.
