

Adrienne Morgan

40 AS Honorary CC

I have been in Abilene since coming to school at Hardin Simmons University in 2010 and am happily settled here to raise my family for the foreseeable future. I am married to Sean and have two children, Lincoln (6) and Palmer (4). Sean is prior Air Force Maintenance, and we proudly serve the men and women of the 317th! I hold the Office Manager role for Sean and the local First Command office. Our mission is to “Coach those who serve in their pursuit of financial security”, but more than that, our personal mission is to support the families of the 317th through meaningful relationship and community. We feel honored to raise our kids in the Herk family, and know Abilene is a special place for the 317th as well.
