

BIOGRAPHY

22d AIR REFUELING WING

Public Affairs 22931 Kansas St., Ste 271 McConnell AFB, Kan. 67221 316-759-3141

722d AIRCRAFT MAINTENANCE SQUADRON HONORARY COMMANDER

FULL NAME: Mr. Leslie Mangus

JOB TITLE: Director of Community Development for
the City of Andover

As Director of Community Development, I oversee planning, zoning, and code enforcement for the City of Andover and spend significant time supporting economic development. I have served the City since 1989, after working in civil engineering and heavy civil construction. In the mid-1980s, I also worked at McConnell Air Force Base, helping rebuild and expand aprons in preparation for the arrival of the B-1 aircraft. I have passion for planning with emphasis on transportation.

I actively serve on the Wichita Area Metropolitan Planning Organization Transportation Advisory Committee along with many of its advisory committees, as well as the Wichita Chamber of Commerce South Central Kansas Transportation Coalition.

FAMILY:

I'm single and live on a small ranch with my dog Maggie in Kingman County. I have two married adult children and an 18-month-old grandson who will someday rule the developed world at the rate he's growing and learning.

EDUCATION:

Kansas State University – Kansas Technical Institute 1980

INTERESTING FACTS:

I'm an avid hunter and fisherman. I've hunted and fished North and South America from South Argentina to North Alaska. My happy place is knee deep in a mountain stream or an ocean flat contemplating how to present the perfect fly for the trophy catch.
