EDUCATION: Kansas State University

INTERESTING FACTS: As an intelligence officer at the Central Intelligence Agency, Toni held one of the highest levels of security clearances in the United States: Top Secret/Sensitive Compartmented Information (TS/SCI) with a Full Scope Polygraph. The robust process for obtaining this clearance involved an extensive background check, including a thorough review of personal and professional history, financial records, criminal records, and more. The polygraph exam measured physiological responses to questions to assess honesty and integrity.
