

**BRECKEN MOREL: INTERIM PRESIDENT & CEO:
WICHITA REGIONAL CHAMBER OF COMMERCE
BIO:**

Brecken Morel serves as Interim President & CEO of the Wichita Regional Chamber of Commerce, where she helps lead the organization's strategic direction, operations, financial performance, and efforts to strengthen Wichita's business community.

Prior to joining the Chamber, she spent six years at Cargill, leading large-scale organizational change initiatives and process improvements. Her career also includes experience in hospitality, sales, marketing, and leadership, providing her with a broad perspective on business operations, workforce, and community growth.

Brecken is passionate about Wichita and the relationships that make the region stronger. In her role with the Chamber, she is particularly committed to strengthening partnerships between the business community, McConnell Air Force Base, and Wichita's defense and military partners. She is also focused on advancing efforts that attract and retain talent, strengthen the regional workforce, and position Wichita as a place where people and businesses can build their future. She is committed to fostering meaningful relationships, strengthening collaboration, and advancing opportunities that contribute to the continued growth and success of the Wichita region.
