

Council Member Dalton Glasscock

Dalton Glasscock was elected as the council member for District 4 on November 7, 2023.

Glasscock serves as the chief executive officer of a national media company and also owns a consulting firm. Glasscock previously worked for the U.S. House of Representatives, where he specialized in military and veteran casework.

Glasscock has a Master of Arts in Education and Human Development degree from The George Washington University and a Bachelor of Business Administration degree from Wichita State University.

He has served the community in a multitude of ways, including as a lecturer of American Politics at Wichita State University, member of the Sedgwick County Mental Health Advisory Board, member of the Wichita Metro Crime Commission, and formerly as Chairman of the Fourth District Advisory Board, member of the City of Wichita's Grant Review Committee, City's Bicycle Steering Committee and more. Glasscock serves as Advisor for Phi Delta Theta's Kansas Delta at Wichita State University. He is an active member of Wichita's First United Methodist Church, where he serves on its leadership board.

Glasscock is a fourth-generation lifelong Wichitan who attended Maize South High School, where he began his local civic involvement as a member of the Wichita Mayor's Youth Council.

Glasscock is a long-distance runner and has completed marathons and triathlons. He has climbed at least eight mountains and traveled around the world. Glasscock can usually be found walking his dog, Astra, and hosting dinner parties in the historic Delano district.
